

#sewpowerfulcards

This quick note card uses paper hearts to make a flower. You can “dress it up” with Washi tape, markers, and printed sentiments. Hand write or glue a printed message on the back and you’re done in no time!

Supplies

- ✓ Precut cardstock 4x6
- ✓ Cardstock scraps
- ✓ Scissors or heart punch
- ✓ Washi tape
- ✓ Glue
- ✓ Green marker
- ✓ Inspirational Sticker
- ✓ Preprinted message

Instructions

1. Punch or cut 3 hearts. Slice each heart in half to make petals.
2. Draw stem and leaves with green marker.
3. Arrange petals to form a circle and glue in place.
4. Trace a button for center and glue on top of petals (or use the button!)
5. Add washi tape or ribbons in one corner and an inspirational sticker.
6. Glue pre-printed message on back and sign. If desired, outline message with washi tape.

Be sure to share your work in our Facebook group to inspire others. And, invite your craft friends to join our group, even if they don't sew. We always need note cards and card makers to support our girls!
