

Here's a Note Card that can bring a little sunshine into a girl's life. This Note Card includes:

- ✓ Top layer with cutout and drawn affirmation
- ✓ Bottom layer with sun-colored cardstock
- ✓ Back of card left for personal message

✓ Make 4 cards at once
SUPPLIES

- Scan-N-Cut Cutting Machine
- Sew Powerful designed *.fcm files
- 12" x 12" Card Stock Paper
- Pens for personal message & embellishment
- Optional: Add other embellishments, e.g. rubber stamp, stickers, etc.

INSTRUCTIONS

-  1. Download the Sew Powerful sunshinetop.fcm file for top layer of note card. Load to your Scan-N-Cut.
-  2. Load the 12" x 12" card stock for the top layer of the Note Card. Execute the drawing part of the file on your Scan-N-Cut.
-  3. Execute the cutting part of the file on your Scan-N-Cut.
-  4. Download the Sew Powerful sunshinebottom.fcm file for bottom, sun-colored layer of the note card. This file cuts the 12" x 12" cardstock in quarters. Load to your Scan-N-Cut.

Use Scan-N-Cut For Cutting & Drawing Front Of Note Card
