

#sewpowerfulcards

I love to make matching cards for my purses. This one is easy and fun, too! Use the free image sheet to make your own stickers. Then use the sewing machine images as patterns to fuse your matching fabric to both a purse and the accompanying card! Fun!

Supplies

- Colored Cardstock
- Color printer
- Sticker Paper (uncut)
- Gel pens or markers
- Scrap Fabric
- Heat n Bond
- Scissors
- Matching decorative tape (Washi)

Instructions

1. Follow directions for your color printer to insert sticker paper
2. Print a copy of the sticker file
3. Cut around each sticker
4. Peel off backing
5. Apply to one side of 4x6 or 5x7 note card
6. Fuse Heat n Bond to a square of scrap fabric
7. Cut out sewing machine image
8. Peel off backing and fuse to cardstock
9. Use Gel pens or markers to draw needle and thread holder by hand
10. Decorate corners/bottom of card with Washi tape
11. Write a personal message on the back
12. If you wish, cut a larger image, fuse to purse flap, and finish purse as desired

Note: all images for this project are titled "Sweet Machine"
