

This Note Card has abundant love and hearts to send to your purse recipient! This Note Card includes:

- ✓ Various “Love” and “Hearts” to decorate a Notecard. I’ve used two layered squares as my background, but you can use whatever shapes you would like.

## SUPPLIES

- Scan-N-Cut Cutting Machine
- Sew Powerful designed 08\_love-notes.fcm file
- 8 1/2” x 11” Card Stock Paper
- Additional Card Stock Paper for the background of your choice
- Glue
- Pen

## INSTRUCTIONS

1. Download the Sew Powerful 08\_love\_notes.fcm file for the love and heart decorations. Load to your Scan-N-Cut.
2. Load the 8 1/2” x 11” card stock. Execute the cutting on your Scan-N-Cut.

Note: I cut the file out of several colors and then mixed and matched the decorations. Be creative and have fun!

3. Choose your own background and glue your decorations.
4. Write your own personal message on the back and then embellish as desired.
