## PEACE

By Dana Buck

Birds are ever-present  
Like the promises of God  
This warming truth embraces  
As my frigid doubts are thawed  
Remembering in scripture  
An abiding promise there  
That not a sparrow falls  
Outside your Father's knowing care  
With peaceful thoughts reset  
By these reminders on the wing  
I open up the window  
And listen to them sing...
