

Sew Powerful Document Retention and Destruction Policy

Document Destruction

The Document Retention and Destruction Policy identifies the record retention responsibilities of staff, volunteers, members of the board of directors, and outsiders for maintaining and documenting the storage and destruction of Sew Powerful's documents and records.

Sew Powerful's staff, volunteers, members of the board of directors, committee members and outsiders (independent contractors via agreements with them) are required to honor the following rules:

- a. Paper or electronic documents indicated under the terms for retention in the following section will be transferred and maintained by Jason Miles, CEO at the Yuba City Volunteer Center;
- b. All other paper documents will be destroyed after three years;
- c. All other electronic documents will be deleted from all individual computers, data bases, networks, and back-up storage after one year;
- d. No paper or electronic documents will be destroyed or deleted if pertinent to any ongoing or anticipated government investigation or proceeding or private litigation (check with legal counsel or the human resources department for any current or foreseen litigation if employees have not been notified); and
- e. No paper or electronic documents will be destroyed or deleted as required to comply with government auditing standards (Single Audit Act).

Record Retention

The following table indicates the minimum requirements as recorded by the American Institute of Certified Public Accountants (AICPA) and is adopted by Sew Powerful for all our document retention policy. In addition, federal awards and other government grants may provide for a longer period than is required by other statutory requirements should any of those awards be accepted in the future.
