

Each of our beautiful donated purses includes a personal note card to encourage the girls who receive them. The girls treasure the cards and read them over and over. Your personal messages are an opportunity to inspire, motivate, and extend the impact of your purse on a girl's life. Your note card's message could:

- Quote a scripture verse
- Share a brief testimony
- Offer a quote
- Include a short poem
- State a caring, personal message
- Be taken from these prompts:

The following are some suggestions to help with your cards:

- We prefer high quality, handmade cards, just as with the purses.
- Because our girls are not taught to read cursive, notes should be printed. Computer printed messages are equally as nice as handwritten notes.
- Cards are slipped into the front pocket and are sized at approximately 4" x 6" or 5" x 7" in order to fit well.
- Cards may be cut from cardstock, written on purchased index cards, our purchased note blank cards of the appropriate size. Purchased cards with a preprinted message should include a short personal note.
- Please sign your first name, and if you like, give your general location.
- Laminating is not required, but can add to the card's durability.

**Your cards are an opportunity to be creative and use up scraps of paper, fabric, ribbons, and other crafting supplies.
The sky is the limit!**
