metals.com / TMTE, Inc. (and its affiliates) (collectively, "metals") and the individual identified above ("Customer") agree that the following terms of this Shipping and Transaction Agreement ("Agreement") shall govern the pending and all future transactions between the parties involving all precious metals, in any form, that is the subject of all transactions between metals and Customer, and shall include, but is not limited to, bullion bars and coins, semi-Numismatic coins and bars, Numismatic coins and bars, "junk silver," and bags (and partial bags) of coins (collectively "Precious Metals.") This Agreement shall apply to all purchases from and sales to metals involving Customer, present and future. metals is not an investment advisor, consultancy, licensed brokerage, or banking institution.

1. Delivery of Precious Metals Purchased: Customer must deliver funds sufficient to cover the entirety of Customer's purchase from metals within five (5) business days of Customer's placement of the order ("Purchase Funds"). Purchase Funds may be delivered by check, credit card, or wire transfer. With the limited exception noted in Paragraph 8a, all sales, including credit card sales, are final (i.e., the Precious Metals cannot be exchanged or returned for a refund). Checks may be made out to Metals.com (For wire transfer instructions, please contact your metals sales representative.) metals shall deliver the Precious Metals specified in Customer's order to a suitable delivery service for delivery to Customer no more than twenty-eight (28) days after metals verifies that the Purchase Funds provided are backed by good funds. (Please note that it may take 12 business days to verify personal checks.) If Customer fails to provide the Purchase Funds within five (5) business days of Customer's placement of the order, metals may exercise the rights set forth in Paragraph 4, below.

2. Delivery of Precious Metals: metals shall cause all Precious Metals purchased and paid for to be delivered to Customer's address set forth above. metals only uses reputable, nationally recognized delivery services to deliver its Precious Metals. If, however, Customer's order is lost prior to delivery, Customer is instructed to notify metals, in writing, immediately. Notice of any such alleged loss should be sent to: metals.com, Attention: Customer Service, 330 S Center St, suite 407 Casper, WY 82601. If the delivery service verifies that Customer's Precious Metals were never delivered, metals shall, within forty-five (45) days of such verification, in its sole discretion, either refund to Customer the full purchase price for such undelivered Precious Metals or replace such Precious Metals with other Precious Metals of the same denomination/type and grade. metals assumes no responsibility for Precious Metals lost, damaged, stolen, or otherwise subject to casualty after delivery to Customer. metals assumes no risk of loss for any Precious Metals

purchased from a Customer until such materials are delivered to and accepted by an authorized representative of metals.

3. Purchase Price:

a. Sales: The purchase price Customer has been quoted and agreed to pay includes metals operating margin on the transaction. Within the Precious Metals industry, the difference between metals cost on the day of the purchase (for the Precious Metals Customer has agreed to buy) and the retail price quoted to Customer is known as the "Spread." Spreads vary significantly - by Precious Metal, by customer, and over time. For Customer to make a profit, Customer must be able to sell the Precious Metals in the future for a price high enough to cover Customer's initial investment, including Spreads. Spreads may be subject to negotiation, and Spreads charged to Customer in a specific transaction may be more or less than the Spread charged to others in similar transactions or charged to Customer in prior or future transactions. At the time this Transaction Agreement was transmitted for Customer's signature, (i) metals Spread on bullion (i.e., coins and bars that generally move in tandem with the spot price for the relevant commodity) is generally between one percent and five percent (1 to 5%), and (ii) metals's Spread on semi-Numismatic and Numismatic coins and bars is generally between seventeen percent and thirty-three percent (17 to 33%). Spreads for semi-Numismatic and Numismatic coins and bars are often in the range of approximately twenty-nine percent (29%). These numbers, however, are only general ranges and approximations, which are subject to change for a variety of reasons. The actual Spread on any particular transaction could be any amount within those ranges (or even possibly outside those ranges). For example, if a bullion coin or bar was quoted by metals at \$400, and included a ten percent (10%) spread, metals cost for the bullion coin or bar would be \$360. Similarly, if metals quoted a Numismatic coin or bar at \$400, and included a twenty-five percent (25%) spread, metals cost for that coin would be \$300. metals Spread range may be different (higher and/or lower), and the Spread metals charges may be higher or lower, at the time of and for any given transaction. Customer acknowledges that the spot prices of Precious Metals do not necessarily move in tandem with the Precious Metals the Customer purchases. That means that the spot price and the liquidation value of the Precious Metals purchased by the Customer under this Agreement may perform differently from one another.

b. IRA Sales: Individual retirement account ("IRA") transactions are more expensive to process and can require metals to assume certain investment risk in connection with the transaction. As such, notwithstanding the general ranges set forth in Paragraph 3a, at the time this Agreement was transmitted for Customer's signature, metals Spread on IRA Precious Metals transactions varies between two percent and thirty-three percent (2% to 33%). These numbers, however, are only general ranges and approximations, which are subject to change for a variety of reasons. The actual Spread on any particular transaction could be any amount within that range (or even possibly outside that range). Moreover, metals Spread range may be different (higher and/or lower), and the Spread metals charges may be higher or lower, at the time of and for any given transaction. For example, a bullion coin or bar that ordinarily would be quoted by metals (outside an IRA) at \$400, with a ten percent (10%) Spread, might be quoted at \$480, with a twenty-five percent (25%) Spread, if the bullion coin or bar is purchased as an IRA investment. In both those examples, however, metals cost for the bullion coin or bar would be \$360. metals makes no representations regarding the tax consequences of holding Precious Metals as an investment in an Individual retirement account ("IRA"). Client expressly acknowledges that Client has been advised to seek independent tax advice, from a qualified professional, regarding the tax consequences of such an investment. Further, please note that holding Precious Metals as an investment in an IRA may result in additional fees charged by third parties, not metals, such as depository and custodial fees that would be charged directly to the Client by such third parties. metals makes no opinions, statements, or recommendations in regards to how much or what percentage of Client's retirement account should be invested in precious metals.

c. Re-purchases: metals is prohibited by law from guaranteeing to repurchase Precious Metals that it sells. metals may, at its sole discretion, elect to re-purchase the Precious Metals that metals sells, and metals does not guarantee that it will re-purchase Precious Metals that Customer purchases from metals. In the event Customer seeks to sell its Precious Metals to metals, Customer understands and acknowledges that metals re-purchase offer may be raised or lowered on a daily, even hourly or more basis, depending upon various market conditions, inventory needs, and the price and availability of comparable Precious Metals. metals does not guarantee that any re-purchase offer will equal the price that metals would pay to acquire the same denomination/type and grade of Precious Metal from a wholesaler, or that any offer made will be higher or equal to what someone else might offer for the same Precious

Metals.

d. Certification: Customers who are selling Precious Metals to metals declare under penalty of perjury pursuant to 28 U.S.C. §1746 that (i) Customer either deals in such articles or otherwise by Customer's respective occupation or as a result of Customer's avocations as collector, speculator, or investor has and holds him or herself out as having knowledge or skill peculiar to such articles or the practices involved in the sale of such articles, and (ii) any sale to metals of coins, hallmark bars, registered ingots, and other items as Numismatic objects is for their Numismatic value. Customers who are buying Precious Metals from metals declare under penalty of perjury pursuant to 28 U.S.C. §1746 that (i) Customer either deals in such articles or otherwise by Customer's respective occupation or as a result of Customer's avocations as collector, speculator, or investor has and holds him or herself out as having knowledge or skill peculiar to such articles or the practices involved in the purchase of such articles, and (ii) any purchase from metals of coins, hallmark bars, registered ingots, and other items as Numismatic objects is for their Numismatic value.

e. Quotes on Customer's Holdings: Customers may request a quote on their holdings at any time. When requesting a quote, please specify whether you are looking to purchase additional Precious Metals or sell your existing holdings - as metals bid (buy from customer) and ask (sell to customer) quotes will vary. metals bases such quotes on a variety of factors, which are not necessarily tied or related to the prices quoted by, or factors considered by, its competitors.

f. Classification as Bullion, semi-Numismatic, or Numismatic: Whether a Precious Metal is classified as Bullion, semi-Numismatic, or Numismatic may turn on a number of objective and subjective factors, including the age of the Precious Metal, its condition, the number of known copies, the likelihood of additional minting, the originating country, relevant historical events or owners (e.g., shipwreck; royalty), relevance to the formation of various Precious Metal collections, and an investor's personal attraction to the piece. metals classification of Precious Metals is only an opinion and may change over time (e.g., if additional quantities of the Precious Metal are discovered). In addition, given the subjective nature of the classification process, other dealers or investors may classify the same coin differently. metals prices and spreads are based on its classification determination.

g. Customer Assumes Investment Risk; Investment Decisions. Customer acknowledges that purchases and sales of Precious Metals involve considerable risk. Market prices are at times volatile and may be affected by a variety of factors including, among others, general economic conditions, political events, monetary policies of various countries, fluctuations in production and demand, stock-piles, speculative activity and the degree of concern people have about these matters. It is impossible to forecast accurately how or to what degree these or other factors will affect prices. Customer acknowledges and agrees that Customer assumes the risk of all investment decisions regarding any and all Precious Metals the Customer purchases from metals and metals makes no guarantee or representation regarding Customer's ability to profit (or avoid loss) from any purchase or any representation regarding any tax implications of any purchase and the decision to purchase or sell Precious Metals. Any purchases from metals are made subject to Customer's own prudence, judgment and ultimate decision. Customer expressly acknowledges and agrees to hold metals harmless for any damages arising out of the performance by metals of this Agreement. Customer understands that past performance cannot be an indicative of future results.

4. Remedy for Customer's Failure to Perform: If Customer refuses to accept delivery of the Precious Metals ordered or fails to make payment when due, metals, in its sole discretion, may cancel the transaction and resell such Precious Metals on a wholesale basis. If the proceeds from such resale are less than the contract price with Customer, metals shall be entitled to recover from Customer the difference between the resale price and Customer's contract price, plus any incidental damages occasioned by Customer's breach. If the proceeds from such resale are more than the contract price with Customer, metals shall be entitled to keep the excess amount to cover metals incidental damages.

5. Investment Objectives; Holding Period; Investment Risk; No Advice; Commissioned Sales Representatives:

a. metals is a seller and purchaser of Precious Metals. While metals is always prepared to compare and contrast the different Precious Metals that are available for purchase or that metals is willing to purchase, Customer acknowledges and agrees that (i) no fiduciary relationship exists between metals and Customer, (ii) the decision to purchase or sell Precious Metals, and which Precious Metals to purchase or sell, are the Customer's decision alone, and (iii) purchases or sales are made subject to Customer's own prudence and judgment.

b. In metals opinion, Precious Metals should be considered a long-term investment. Customer should be prepared to hold any Precious Metals purchased - whether from metals or elsewhere - for at least a three to five year period, and preferably five to ten years, to maximize the potential for gains. In metals opinion, Customer should only invest capital that can be held for at least this period of time. However, Precious Metals, like all investments, carry capital risk. Precious Metals may appreciate, depreciate, or stay the same depending on a variety of factors. metals cannot guarantee, and makes no representation, that the Precious Metals will appreciate at all or appreciate sufficiently to make Customer a profit at the expiration of this or any other period of time.

c. In metals opinion, Customer should not invest more than twenty percent (20%) of Customer's available investment funds in Precious Metals. Moreover, Precious Metals do not yield income and thus are not an appropriate investment vehicle for investors seeking current or future income.

d. The success of an investment in Precious Metals is dependent, in part, upon extrinsic economic forces including but not limited to supply, demand, international monetary conditions, and inflation or the expectation of inflation. The impact of these forces on the values of Precious Metals in general or any particular Precious Metal cannot be predicted. Customer acknowledges that the Precious Metals market can be volatile and that Precious Metal prices may rise or fall over time. Customer further acknowledges that past performance is no guarantee of future performance.

e. metals does not provide tax, investment, or legal advice or advisory services, and no one associated with metals is authorized to provide any such advice or services. Any written or oral statements by metals, its officers, agents, sales representatives, or other representatives relating to future events or the attributes of certain Precious Metals are opinions only. Such statements, if any, are not representations of fact. Customer agrees, acknowledges, and represents that Customer has not, at any time, sought or been provided with tax, investment, or legal advice or advisory services, of any kind or nature from metals or any of its, affiliates, assigns, successors, agents, employees, contractors or other representatives.

f. metals sales representatives are commissioned salespersons - i.e., their salary is based, at least in part, on the amount and profit margin of the Precious Metals they sell. In addition, from time to time, metals sales representatives may receive other compensation tied to sales activity - e.g., sales contests; bonuses tied to the sale of certain denominations/types or grades of Precious Metals. metals sales representatives are not licensed brokers and their knowledge of Precious Metals and the Precious Metals marketplace varies markedly.

g. metals makes no representations regarding the tax consequences of holding Precious Metals as an investment in an IRA. Customer expressly acknowledges that Customer has been advised to seek independent tax advice, from a qualified professional, regarding the tax consequences of such an investment. Any written or oral statements by metals, its officers, agents, account executives, or other representatives relating to future events or the attributes of certain Precious Metals are opinions only. Such statements, if any, are not representations of fact.

h. Customer understands, agrees, and acknowledges that metals records telephone calls with potential customers and/or including Customer, to avoid and/or prevent fraud, for purposes of verifying Customer's assent to the terms and conditions of the purchase from metals, for quality control and/or other reasons. Customer consents to all such recordings of Customer by metals to the extent consent is required under any state or federal laws or statutes.

6. Grades:

a. metals is not a grading service. metals purchases Precious Metals for re-sale to its customers. metals is not a grading service. metals does not independently assess the Precious Metals it purchases for re-sale, but relies upon the opinions and assessments of independent grading services such as Professional Coin Grading Service, Inc., Numismatic Guaranty Corporation of America, and ANACAS, or others. Grading is a subjective process and it is not uncommon for grading services, or individual examiners within the same grading service, to reach different conclusions regarding the appropriate grade for a particular Precious Metal. Moreover, grading standards are constantly evolving. metals does not guarantee that the Precious Metals it sells will achieve the same grades in the future. In selling graded Precious Metals, metals warrants that the Precious Metal is genuine (i.e., not a counterfeit) and states that the grade is as opined by the grading service when graded by that service, if graded.

b. Grading is subjective. Grading is a subjective determination. While numerical grading may give the impression of precision, the numbers in fact represent a nuanced opinion that even experts cannot consistently and systematically agree upon. The grade reflects the opinion of the cataloger (or grader) as to the state of preservation, method of strike, and overall appearance of a particular Precious Metal or lot.

c. Terminology. The term "proof" or "specimen" is used to describe a method of manufacture. Those terms do not connote a grade, condition or attribution.

d. Cleaning/Toning. metals does not represent that a Precious Metal has or has not been cleaned, that any toning is natural or artificial, that a Precious Metal has a particular provenance or pedigree, that a Precious Metal is struck or not struck, that a Precious Metal is produced or not produced in a particular manner or style, and/or that a different grading service (or even a different grader within the same grading service) would assign the same grade now or in the future to the same Precious Metal.

e. Acknowledgment. Where metals sells a Precious Metal that is encapsulated by a grading service and bears the grade or condition ascribed to it by the grading service, Customer acknowledges and agrees that other grading services or knowledgeable purchasers might reach a different conclusion as to the item's grade. Customer further acknowledges that metals has provided the grader's description for the customer's information and makes no warranty as to its accuracy or the standards used to determine that grade.

7. Representation/Warranty; Sales Representatives Not Authorized To Make Other Representations or Warranties: metals represents and warrants that, upon the delivery of Purchase Funds (as provided for in Paragraph 1), and subject to the other terms and restrictions set forth in this Transaction Agreement, metals will cause to be delivered to Customer the denomination/type and grade of Precious Metals specified in Customer's order, as classified and/or graded by one of the following independent grading services: Professional Coin Grading Service, Inc. (PCGS), Numismatic Guaranty Corporation of America (NGC), ANACAS, or any other independent grading service of similar standing. The only representation and warranty that Customer may rely upon in purchasing Precious Metals from or selling Precious Metals to metals is the representation set forth in this Paragraph 7. Neither metals, nor any of its officers, agents, employees, sales representatives, or other representatives are authorized to make any other representations or warranties concerning any Precious Metals that metals is selling or purchasing under this Transaction Agreement.

8. Exchange/Refund Policy:

a. Replacement of Semi-Numismatic or Numismatic Coins Where Grade Disputed: Customer agrees to inspect each delivery carefully upon receipt. If, for any reason whatsoever, Customer is dissatisfied with the quality of a semi-Numismatic or Numismatic coin or bar (specific kinds of Precious Metals) purchased from metals, Customer should immediately notify metals. If Customer notifies metals of its dissatisfaction within fifteen (15) days of delivery of the semi-Numismatic or Numismatic coin or bar and the original holder in which the semi-Numismatic or Numismatic coin or bar in question was delivered has not been opened, removed, or tampered with in any respect, metals shall replace the semi-Numismatic or Numismatic coin or bar in question with another semi-Numismatic or Numismatic coin or bar (as appropriate) of the same denomination/type and grade. metals, in its sole discretion, may permit Customer to upgrade to a higher value semi-Numismatic or Numismatic coin or bar (either in denomination/type or grade) as part of this replacement process, provided Customer pays the difference between the contract price of the semi-Numismatic or Numismatic coin or bar previously purchased and metals current sale price for the higher value semi-Numismatic or Numismatic coin(s) or bar(s) to be substituted. If metals determines, in its sole discretion, that another semi-Numismatic or Numismatic coin or bar of the same denomination/type and grade is not reasonably, commercially available, metals may elect, at its sole option, to replace the semi-Numismatic or Numismatic coin or bar purchased with a reasonably comparable semi-Numismatic or Numismatic coin or bar, even though of a different denomination/type and grade.

b. Cancellation Period; Certain States' Rights. With the exceptions noted in Paragraph 8a and the Addendum attached hereto (certain state residents only), metals offers Customers a seven (7) day right to request cancellation of their purchase with metals for semi-Numismatic or Numismatic coin or bar purchases. Because Precious Metals, including all other purchases other than semi-Numismatic or Numismatic coin or bars, are subject to price fluctuations

outside of metals control, the metals is unable to rescind, cancel, refund, or exchange Customer's order or this Agreement for all purchases other than semi-Numismatic or Numismatic coin or bars, other than as noted herein, in Paragraph 8a above, and as set forth in the attached Addendum.

9. Disclaimer of Express and Implied Warranties: EXCEPT AS SET FORTH IN PARAGRAPH 7, THE PRECIOUS METALS SOLD BY METALS PURSUANT TO THIS TRANSACTION AGREEMENT ARE SOLD ON AN "AS IS" BASIS AND METALS MAKES NO WARRANTIES, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY AND OR FITNESS FOR A PARTICULAR PURPOSE.

10. No Liability for Consequential Damages; Limitation of Liability: IN NO EVENT SHALL METALS HAVE ANY OBLIGATION OR LIABILITY (WHETHER IN TORT, CONTRACT, WARRANTY, OR OTHERWISE, AND NOTWITHSTANDING ANY FAULT, NEGLIGENCE, OR STRICT LIABILITY), FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES SUSTAINED OR ARISING FROM OR RELATED TO ANY TRANSACTION COVERED BY THIS TRANSACTION AGREEMENT, EVEN IF METALS IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, METALS LIABILITY TO CUSTOMER FOR ANY REASON AND UPON ANY CLAIMS SHALL AT ALL TIMES BE LIMITED TO THE AMOUNT ACTUALLY PAID BY CUSTOMER FOR THE PRECIOUS METALS IN DISPUTE.

11. Application to Future Transactions: This Transaction Agreement shall control all transactions between metals and Customer unless and until such time as it is amended by metals. Customer agrees that metals may amend this Transaction Agreement at any time and from time to time, that metals may give notice to Customer of any amendment by mailing a copy of the amended Transaction Agreement to the address set forth above (or any updated address provided by Customer in the interim), and that following such mailing, the amended Transaction Agreement shall govern succeeding transactions and any interaction with metals.

12. Force Majeure: Neither metals nor Customer shall be liable for any failure or delay in its or their performance under this Transaction Agreement due to any cause beyond its or their respective reasonable control, including acts of war, terrorism, acts of God, earthquake, flood, embargo, riot, sabotage, labor shortage or dispute, governmental act or failure of the Internet including, but not limited to, any disruption, failure and/or error in or of metals internal computer systems, or any disruption, failure and/or error in or of any third-party Internet service providers as metals may use from time to time.

13. Arbitration of Disputes; Waiver of Jury Trial: ANY DISPUTE, CLAIM OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS TRANSACTION AGREEMENT OR THE BREACH, TERMINATION, ENFORCEMENT, INTERPRETATION OR VALIDITY THEREOF, INCLUDING THE DETERMINATION OF THE SCOPE OR APPLICABILITY OF THIS AGREEMENT TO ARBITRATE, OR ANY OTHER DISPUTE, CLAIM OR CONTROVERSY ARISING OUT OF ANY INTERACTION BETWEEN METALS AND CUSTOMER, SHALL BE BROUGHT AND BE DETERMINED BY ARBITRATION IN LOS ANGELES, CALIFORNIA, BEFORE ONE ARBITRATOR. THE ARBITRATION SHALL BE ADMINISTERED BY ADR SERVICES, INC. CUSTOMER AND METALS WAIVE THEIR RIGHTS, IF ANY, TO BRING ANY CLAIM THAT IS SUBJECT TO THIS ARBITRATION PROVISION AS A CLASS ACTION, "MASS" ACTION, OR OTHERWISE ON A REPRESENTATIVE BASIS. JUDGMENT ON ANY ARBITRATION AWARD MAY BE ENTERED IN ANY COURT OF COMPETENT JURISDICTION. THIS CLAUSE SHALL NOT PRECLUDE PARTIES FROM SEEKING PROVISIONAL INJUNCTIVE REMEDIES IN AID OF ARBITRATION FROM A COURT OF APPROPRIATE JURISDICTION.

14. Choice of Law: The substantive law of California shall govern all claims brought by or against metals in connection with this Transaction Agreement or otherwise arising out of any interaction between metals and Customer, without any regard for conflict of law principles.

15. Limitation on Time to Bring Any Claim: Except where the law prescribes a shorter applicable statute of limitation, or prohibits shortening the otherwise applicable longer statute of limitations, any claim or legal action of any kind arising in connection with or relating in any way Customer's purchases from metals, metals, or in any way relating to metals or this Agreement, must be brought within one year after the purchase or sale or other event giving rise to the claim or legal action. If this clause is determined to be unenforceable as to any particular claim or claims under the law of the applicable jurisdiction, it shall remain fully enforceable as to all other claims.

16. Jurisdiction: Jurisdiction and venue for any dispute, claim or controversy arising out of or in any way relating to this Transaction Agreement or the breach, termination, enforcement, interpretation or validity thereof, or any other interaction between metals and Customer, shall be in Los Angeles, California, and any party making a claim against metals in whatever form hereby submits to personal jurisdiction in that forum for any and all purposes. By entering into this Agreement, Customer agrees to be subject to the personal jurisdiction of the State of California, agreeing and acknowledging that entering into this Agreement shall constitute sufficient minimum contacts with the State of California to confer both general and specific personal jurisdiction.

17. Finality; Integration Clause: This Agreement is intended by metals and Customer as a final expression of their agreement concerning the matters set forth herein, and is also intended as a complete and exclusive statement of the terms of their agreement. This Agreement supersedes any oral or written statements made prior to, contemporaneous with, or in the future regarding this Agreement or the transactions covered hereunder. Customer shall not rely upon any statement made by or on behalf of metals that is inconsistent with this Transaction Agreement.

18. Severability: If any provision of this Transaction Agreement is determined by any court of competent jurisdiction or arbitrator to be invalid, illegal, or unenforceable to any extent, that provision shall, if possible, be construed as though more narrowly drawn, if a narrower construction would avoid such invalidity, illegality, or unenforceability or, if that is not possible, such provision shall, to the extent of such invalidity, illegality, or unenforceability, be severed, and the remaining provisions of this Agreement shall remain in full force and effect.
