

# DODGE RAM ColorSHIFT + Switchback Halos

**NEW  
PRODUCT**

Our new RGB+A SWITCHBACK line-up features our traditional RGB ColorSHIFT halo technology with an extra addition of Amber LEDs. The new Amber LED chips can be utilized as a Turn Signal by tapping directly into your vehicle's wiring or as a 100% legal on-road driving light. Experience the complete ORACLE ColorSHIFT experience while also adding true road functionality, your new RGB+A SWITCHBACK Halo Kits.

## Kit includes:

- (2) RGB+A ColorSHIFT+ Switchback Halos
  - (2) Constant Current LED Drivers
  - Installation Instructions
- Fitment: 2009-2018 Dodge Ram "Quad" Type Headlights
