The new ORACLE Lighting Dynamic ColorSHIFT Halo Kit is the latest advancement in our expansive lighting modifications. The new Dynamic feature allows the user to run multiple moving color patterns through the Halo ring creating a vivid eye-catching lighting effect. Conveniently controlled through a free smartphone App, the system features over 200 pre-programmed moving patterns as well as static color control and white mode for normal street driving. In addition to the pre-programmed features the user can also create custom designs through pixel editing in the app.
