

* ORACLE NEW PRODUCT ALERT *

Excellent replacement headlight option for any vehicle with 7" Sealed Beam lamps. These Rugged 30W LED Headlights are built to operate in the worst possible conditions. Each light utilizes a rugged Polycarbonate lamp housing to withstand impact and a Solid-State luminaire design for vibration resistance. The epoxy-sealed electronics avoid moisture and corrosion. Perfect for the off-road adventurer who wants to cover new ground on the trail that never ends.
