# POWER SYMBOL ON/OFF FLUSH MOUNT LED SWITCH

These flush buttons allow you to add a switch to your vehicles interior without compromising your automotive style. Available in a variety of colors these LED illuminated switches feature a glowing power symbol when ignited. Each switch features heavy-duty brass assemblies and durable nickel-plated finishes. The metal housings have a definitive "click" which you can feel when engaged.

**Mechanical Lifetime is tested at over 200,000 fail-free duty cycles!**
