

As a special promotion from now until the 2015 SEMA Show, ORACLE Lighting is offering two premium products in a "ready to go" bundle. Included in each bundle is 16 feet of our Premium Exterior Grade (IP65) ColorSHIFT® Flexible SMD Strip and a FREE ORACLE 12V Simple RGB controller with IR Wireless Remote valued at \$29.95. These bundles are perfect for installation or over the counter sales due to the newly redesigned retail packaging! This promotion is only good while supplies last so contact your ORACLE Sales Representative today to stock up!
