

## CAMP STONE PACKING LIST

### IMPORTANT NOTES – READ CAREFULLY

- 1) The following is a **suggested** packing list for a typical 4 week stay at Camp Stone. If you have any specific questions, please email Lisa Jakobovits, our Office Manager at Camp Stone, and she can help guide you. [lisa@campstone.org](mailto:lisa@campstone.org).
- 2) Laundry is done once a week by our very own Tzevet. **We provide color coded laundry bags for every camper**, and each child's laundry is done individually and discreetly. Therefore, do not send a laundry bag to Camp Stone.
- 3) **Do not send clothing that you care about** to Camp Stone for three reasons: (1) The weather and terrain, while stunning, can be somewhat unforgiving on clothing; (2) Despite the fact that laundry is done individually by camper, items have a way of vanishing from time to time; and (3) When camp is over, we donate all the clothing in the lost & found to those in need in Warren County, Pennsylvania.
- 4) To that end, we strongly recommend **NOT sending new clothing** to camp 😊
- 5) Pack only in **duffel bags or suitcases**. No trunks.
- 6) **Label everything**. First name and last name - is perfect.
