

CYJ Packing List

This packing list has been created with the help of CYJ staff as well as camp parents to provide the most accurate list of items for campers to pack. Some items also include links to provide examples; you do not have to purchase the identical item or one from the suggested vendor. **All clothing and other items MUST be labeled with the camper's first and last name.** We highly recommend [Stuck on You labels](#)--we've found they really stay put for clothing, footwear and other belongings. If you choose to use Sharpies or laundry pens, please label items with first and last name.

****Camping Chair:** 1 standard-height (not low sand chair) foldable camping chair (with cupholder), labeled with your camper's first and last name clearly visible. A strap for the chair is suggested for ease of carrying. If there is a bag for the chair, it should be labeled, too. In past summers, many campers have brought stadium chairs to camp. Stadium chairs continue to be an optional and very popular item, but the camping chair with cupholder is mandatory. Here are a few suggestions:

Due to safety and space considerations, we do not allow large plastic storage bins/containers or drawer units to be used in the bunks. We provide drawers, cubbies and shelves. All luggage, duffels and large storage containers used for packing will be moved after the first day to a separate storage area.
