

Moshava Alevy Packing List 2024

PACKING LIST:

Please refer to the list below as a helpful guideline as you start packing for camp. Machal and Kaytana specific packing lists can be found on Companion.

A note about Linens: Children are required to make their beds daily with sheets and blankets. **No child may use a sleeping bag as their primary bedding;** it is both messy and unhealthy. While the weather is quite nice during the day, it can be quite chilly at night, with nighttime temperatures at times dropping into the low 60's. Come prepared!
