

# The Cottage Shop

Welcome to the beauty of the Outer Banks and the excitement of setting up your new or refurbished beach home.

Kellogg Supply Company has been serving homeowners on the Outer Banks since 1946. As a division of Kellogg Supply Company, The Cottage Shop was designed to fit the specific needs of cottage owners by offering a complete line of home décor and accessories.

After the initial planning stages of your structure and furnishings, it is time to purchase your housewares, bedding, bath, decorative accessories, outdoor furniture, and recreational items. Having worked with many homeowners and having provided thousands of Cottage Packages our qualified staff can assist you in making selections to fit your needs.

To make this task easier, more enjoyable, and more affordable, we have created all-inclusive kitchen packages. Designed to accommodate small refurbishments as well as complete home selections our packages may be adjusted to accommodate any size home. Bedding, bath, and outdoor furniture packages are also available.

All items in our Cottage Package were selected for their quality, durability, and color selection. The selections also conform to the stocking requirements of most rental companies on the Outer Banks. For your convenience all of our dinnerware, glassware, flatware, and bedding are available in open stock to facilitate replacement in the event of breakage or loss.

Should you need someone to unpack, wash, and set up your Cottage Package, we offer that service as well.

We invite you to visit our location in Duck to speak with a sales associate and to see items in person!
