Introduction

Thank you for purchasing the Coliseum from Rider by Rockwell. We are sure you will enjoy using this quality timepiece. Please visit www.rockwellwatches.com or send us an email to info@rockwellwatches.com for any questions or to get more info.

The Coliseum is a multifunction digital, it features: dual time zone, chronograph with 50-lap memory, countdown timer, and 8 alarms. Case construction is ABS, and band is made of PU. The stadium-style bezel helps protect the lens from scratching.

For longer watch life, avoid exposing it to extreme or harsh conditions for extended periods. Avoid rough use or impacts. Do not open the watch case unless it is done by a authorized service provider.

Keep this manual on hand as a reference.

- 3.The button will only beep once when pressed and held
- 4.Alarm duration: 20 sec, two short beeps per second,beep once every hour.
- 5.The TIMER sound will take priority over the ALARM sound

Watch Care/Features

CARE OF YOUR WATCH

E-22

1. This watch contains precise electronic components. Never attempt to open the case or remove the back cover.
2. Do not operate buttons while underwater, or while swimming or diving.
3. Should water or condensation appear in the watch, immediately have the watch checked. Water can corrode electronic parts inside the case.
4. Avoid severe impact: The watch is designed to withstand impact under normal use. Do not subject it to severe impacts or rough usage, and do not drop it onto hard surfaces.
5. Avoid exposing the watch to temperature extremes.
6. Clean the watch with a soft cloth and clean water only. Avoid using chemicals, especially soap.
7. Keep your watch away from strong electric fields and static electricity.
