

A COMMON
MISTAKE
WE LASH TECHS MAKE

FORGETTING TO ASK IF OUR
CLIENTS WOULD LIKE ANYTHING
DIFFERENT

Longer?

Shorter?

Fuller?

Wispy?

@sweetplash

You could say something like...

"How are we liking these lashes? Is there anything you'd like to change up or try? And before you answer that...if you want something that isn't safe for your lashes or will not suit your face, I will be very honest with you"
