

Free Quilt Block Patterns and Quilting Projects

Welcome to the world of quilting! Whether you're a seasoned quilter or just starting out on your creative journey, there's something truly special about the art of piecing together fabrics to create beautiful objects. We are thrilled to share with you a curated collection of free quilt tutorials all written for Madam Sew. These blog posts cover everything from quilt blocks to quilted accessories, offering inspiration and guidance every step of the way. So, scroll, click and dive into the Madam Sew world of Quilting! There are free tutorials for every skill level!

Over the years Madam Sew published many free quilt tutorials, about different quilt techniques, how to learn quilting, about tools for quilt making, many quilt blocks, how to make a quilt, and quilt inspiration in general. On this page, the blogs are categorized into the following 4 sections:

1. Specific Quilt Blocks, with instructions how to cut and assemble them
2. How to Make a Quilt
3. Free Patterns and Instructions for Quilted Accessories
4. Quilt Inspiration blogs

Click on one of the images below to get all the instructions for the quilt project you want to make. Every tutorial has clear step-by-step instructions to guide you through the entire process.

1. Quilt Blocks

Quilt blocks are the building blocks of a quilt, and mastering different block patterns opens up many possibilities. You can combine different quilt blocks in one quilt to make a sampler quilt. This is a great way to try out different blocks. When repeating the same blocks multiple times you can create patterns and the repetition of making the same block several times helps you to get better at learning to assemble a specific block.

Below we are sharing our free quilt block tutorials to help you explore various quilt designs. There are so many different quilt blocks to discover and learn. In [this article](#) [Cathy talks about ten of the most common quilt blocks](#). On "Scissortail Quilting" Maria made [an image library of more than 200 quilt blocks!](#)

The quilt block tutorials below are sorted alphabetically. Click on the images to go to the tutorial.
