## Printable Ring Sizer

---

1

Print this page at 100% scale to make sure the sizing is correct.

Compare the ruler on the page with a real ruler to confirm they match.

2

Carefully cut out the ring sizer.

Make a slot in the ring sizer by cutting along the dotted line.

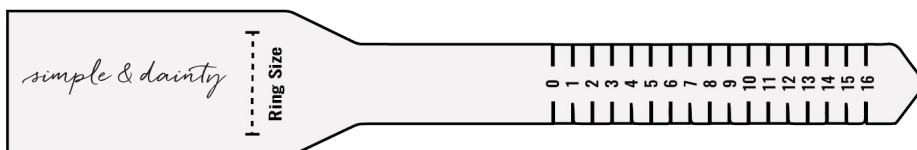

3

Pass the tip of the pointer through the slot.

Place the ring sizer around your finger.

Pull the pointed end slightly so that it fits comfortably around the base of your finger.

Your approximate ring size should be the number closest to the opening!

## Ring Size - Using an Existing Ring

1

Place the ring that fits your intended size on top of the circles.

2

Make sure that the inside of the ring lines up with the outside of the circle.

3

If your result is between sizes, you can choose the larger size.
