## CHENIN BLANC 2022

*release date April 2023*

Gabriëlskloof winery is in the Bot River ward, part of the greater Walker Bay region. Our winemaking philosophy is one of minimal intervention, only taking action where necessary. We believe this is the only way to give prominence to and reflect our terroir.

#### ABOUT

The Chenin Blanc is part of our Gabriëlskloof Range, together with the Rosebud, Sauvignon Blanc, The Blend and Syrah. This range offers a selection of boutique-style wines that always over-deliver on quality and value.

#### CLIMATE & VITICULTURE

The 2022 harvest benefitted from good winter rains and full dams, which set the tone for a cool, even growing season.

#### VINIFICATION

The Chenin Blanc 2022 was fermented wild in stainless steel tanks and left on its lees for seven months before bottling.

#### TASTING NOTE

White peach, nougat and golden delicious apples on the nose alongside jasmine and unripe pineapple. The palate is unctuous and full bodied with a steely spine holding everything in balance while a moreish, salted macadamia note adds lip-smacking length to the finish.
