

# Madame Lucy

Perfectly groomed in Botriver, South Africa

*Alc: 12% | RS: 7.4 g/l | TA: 9.5 g/l | pH: 3.3*

*A traditional MCC with a delicate mousse and fine bubbles. Citrus pith, pear and white peach flavours on the nose. A perfect blend of 63% Chardonnay and 37% Pinot Noir, and disgorged on 31/10/2016 after spending nine months on the lees.*

Method Cap Classique or “MCC” denotes a South African sparkling wine made according to the traditional Champagne method, where second fermentation takes place in the bottle. The term Cap Classique has been used in South Africa since 1992.
