

# SAUVIGNON BLANC 2019

*Release date: November 2019*

Gabriëlskloof winery is in the Bot River ward, part of the greater Walker Bay region. Our winemaking philosophy is one of minimal intervention, only taking action where necessary. We believe this is the only way to give prominence to and reflect the terroir of the vineyards we work with.

The Sauvignon Blanc is part of our Estate Range, together with the Rosebud, Chenin Blanc, The Blend and Syrah. This range offers a selection of boutique-style wines that always over-deliver on quality and value.

The Sauvignon Blanc 2019 was fermented in stainless steel tanks and left on its lees for four months before bottling. Expect blackcurrant, lemongrass and pear aromas on the nose. The palate is balanced and elegant, while 20% Elgin fruit adds an extra layer of complexity.

Best enjoyed at 13°C. Drink in the next two years.
