CLEANSER

You definitely want this super gentle facial cleanser in your bathroom cabinet!

Unlike many other cleansers, this one doesn't dry out the skin. What makes this facial cleanser truly unique is that it removes your makeup and dead skin cells, a real 4-in-1. Additionally, it stimulates the skin's natural hyaluronic acid production and restores moisture balance while cleansing. As a result, your skin feels softer immediately after cleansing.

Our cleanser offers multiple benefits:

- Removes makeup and dead skin cells
- Skin feels immediately soft
- Enhances skin resilience and strengthens barrier functions
- Stimulates the skin to retain moisture

Sheabutter

Contains high concentrations of vitamins A and E, making the skin feel soft and stimulating new cell production.

Pineapple Extract

Fruit Sugars

Hydrate, soften, and stimulate the skin to retain moisture.
