DAY CREAM

Our ultimate daily skincare!

During the day, the skin naturally loses a lot of moisture, which can lead to an uncomfortable and sometimes slightly tight sensation. This loss of moisture can result in the formation of small wrinkles, and that's the last thing we want. This highly hydrating day cream combats natural moisture loss in the skin by stimulating the natural production of hyaluronic acid.

As a result, it restores the overall moisture balance and prevents the formation of dry lines. Through a special blend of algae, cactus, and samphire extracts, the lipid balance is optimized and maintained, effectively countering skin aging. These three valuable ingredients retain moisture in your skin, reducing the impact of external factors like heating, air conditioning, or the sun.

Our day cream offers multiple benefits:

- Stimulates the skin's natural hyaluronic acid production
- Restores skin moisture levels
- Combats skin aging and restores balance
- Protects the skin from external influences

Samphire

The all-rounder. With its content of betaine, antioxidants, amino acids, and minerals, it has a multi-faceted effect. It strengthens the skin barrier, provides deep hydration, and accelerates skin recovery.

Cactus Extract

An expert in moisture retention, it also enhances the skin's ability to retain moisture. Additionally, it's rich in antioxidants that soothe and protect the skin.

Directions for Use:

Cleanse the skin with Rio Cosmetics Facial Cleanser, then apply a small amount of day cream to the face. Gently massage it in using your fingertips. For optimal results, we recommend combining this with the Hydra Age Serum.

Ingredients:

Aqua (Water), Dimethicone, Butylene Glycol, Saccharide Isomerate, Dimethicone/PEG-10/15 Crosspolymer, Sodium Chloride, Hydroxyacetophenone, Glycerin, PEG-10 Dimethicone, Sodium Citrate, Dimethicone/Vinyl Dimethicone Crosspolymer, Parfum (Fragrance), Caprylic/Capric Triglyceride, Citric Acid, Propanediol, Dipropylene Glycol, Salicornia Herbacea Extract, Opuntia Ficus-Indica Stem Extract, Disodium Phosphate, Xanthan Gum, Sodium Phosphate, Tocopherol, Sodium Benzoate, Glyceryl Caprylate, Opuntia Ficus-Indica Callus Culture Extract.

Suitable for:

All skin types

Rio Cosmetics was developed by Samantha Smits.

As a nature health entrepreneur, she knows one thing for sure: plants have power. However, after years of research and hands-on experience, she realized that plant power alone isn't enough for optimal skin health. That's why she sought the best of both worlds and found it in Switzerland. Carefree skincare that works and feels luxuriously delightful, allowing you to enjoy without harming people, animals, or nature.
