## SHEET MASK

Sheet masks are very much in line with the times!

Easy and quick to use, and the best part of all: they provide instant results. Ideal when you have limited time but still want to give your skin a boost, or when you want to take a moment to escape from the hustle and bustle.

### Our sheet mask offers a dual action

It's a true hydration bomb  
And an anti-aging booster

### Best of both worlds

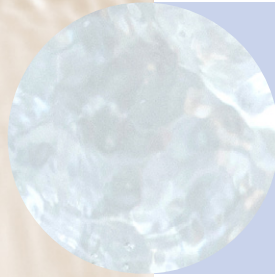

in addition to natural ingredients, the sheet mask contains one of the most effective active ingredients in the cosmetic world; Matrixyl 3000\*.

Our sheet mask offers multiple benefits:

- Immediate results after use, visibly reduced wrinkles
- A quick pick-me-up for your face
- Enjoy the results for hours; wonderfully soft and hydrated skin

## Matrixyl 3000

This super potent peptide stimulates collagen and glycosaminoglycan production while inhibiting changes in the immune system that occur due to aging.

## Rhinacanthus communis

Provides a true anti-aging boost due to its high concentration.

## Citric Acid

A gentle fruit acid that offers anti-inflammatory effects and deep skin cleansing. It's also a natural antioxidant.

## Directions for Use:

Cleanse the skin and remove any makeup. Take the sheet out of the packaging and place it on the skin, gently pressing it down. Leave the mask on for 10 minutes, then remove it entirely. You can massage the remaining serum into the skin and let it absorb, or if desired, you can use a tissue to remove it and then apply our day or night cream. Avoid direct UV radiation and/or sunlight for up to 3 hours after use. For optimal results, use the face mask once a week, but if you prefer more frequent use, that's perfectly fine too.
