- For any other fault which does not affect the basic performance of the Products, notwithstanding any external scratch or stain, or natural mechanical wearing which does not represent a defect or normal wear and tear;

4. Data Protection

If the Customers accept the warranty service provided by Ginlong, the Customers allow Ginlong to access, collect and process information related to failure, detection, identifying and debugging when providing services. Such information will only be used to provide warranty services. Since Customers are the controllers of such information, Ginlong cannot confirm whether such information contains confidential information or personal data of the Customers.

Customers should ensure that they will obtain or retain all necessary consent, permission and authorisation ("Consent") in accordance with applicable legal requirements for Ginlong to provide such service, so that Ginlong will not violate applicable legal requirements, Customers privacy policies, or Customer user-agreements in providing related services.

Ginlong will take reasonable measures to ensure the security of such Customer information, but Ginlong is not responsible for any direct or indirect liability caused by the acquisition and processing of such information in the process of providing services.

If the Customer returns the Products to Ginlong, it indicates that the Customer has backed up any confidential, private, personal or other information stored in the Products and has completely deleted such information from the Products, and authorises Ginlong to transfer the Products to the Ginlong service centre in other countries for maintenance. Customers shall be solely responsible for deleting the above information before delivering the hardware to Ginlong. They shall also further indemnify, defend and hold harmless Ginlong from and against any and all claims, liabilities, obligations, costs, expenses, penalties, fines, confiscations and ruling imposed by any government agency or third party as a result of Ginlong failing to comply with applicable laws and regulations in transferring and disposing of the above information.

Ginlong does not guarantee the data stored in the Products; the Customers are responsible for backing up relevant data to prevent loss.

5. Warranty Claims Procedure

To make a warranty claim the following information needs to be provided:

- Completed Warranty Claim Form – Provided by Solis Service Agent
- Products Model (ie. 4G 3.6kW) and Products Serial Number (ie.160D72198270017)
- Copy of the invoice for the inverter
- Copy of the installation report/certificate

If Ginlong receives a legitimate written claim, Ginlong shall, at its discretion:

- 1) Provide replacement Product; which will be functionally equivalent to the Customer's defective device (in terms of features, function, compatibility).
or
- 2) Instruct an accredited service provider to attend the Customer's premises and repair the defect or provide a replacement Product(s);
or
- 3) Direct the Customer to return the Products to Ginlong so that Ginlong may repair or provide a replacement Product(s).

Ginlong may, at its own discretion, use new or factory refurbished Products for replacement.

Ginlong may repair or replace faulty components at its discretion. If the Products or any part thereof is replaced by Ginlong under this limited warranty, all of the rights, title and interests in the replaced Products or parts, shall vest in Ginlong upon it being replaced.

Any Products replaced or repaired under this limited warranty will be covered by the Products' remaining warranty period, or three months, whichever is greater.

The warranty holder must return replaced parts or devices in the original packaging or equivalent.

If the replaced faulty part or device is not received by Ginlong within 30 days, the warranty holder will be charged for the part/device at the current price for a new part/device.

Labour, travel and delivery (to and from Customer) will be charged if Products returned are found to be not faulty following a warranty claim.

A claim for compensation cannot be made for any loss of profit, (including energy that has not been fed into the grid or energy that has not been used for self-consumption, etc.) In any case, whether in contract, tort or otherwise, the maximum compensation for Customer losses caused by its fault shall not exceed the amount paid by the Customer for the purchase of the equipment.
