## RDX Series™

Designed for heavy-duty, everyday use.

Providing your customers with an enjoyable dining experience is priority one in the restaurant business, and the key to customer satisfaction is improved productivity. Motorola business two-way radios keep restaurant managers, wait and kitchen staff connected – and that’s what keeps the customers coming back.

**Instant communication in Restaurants means:**

- Improved employee efficiency and operations
- Reduced operational costs
- More responsive service
- Instant notification when orders are ready
- Increased overall service and satisfaction
- Faster table turnover to minimize customer wait times
- Quick coordination and response to emergencies
- Enhanced safety and security
- Seamless valet coordination
- Reduced monthly operating costs

- NO CONTRACTS
- NO MONTHLY FEES
- NO PER-CALL CHARGES
- NO INFRASTRUCTURE REQUIRED

<b>Restaurant Challenges</b>	<b>Two-way Radio Solutions</b>
The need for faster, more responsive service.	Instant communication enables faster table turnover.
Labor-intensive operation with a high job turnover.	Easy to use, with minimal learning curve for new employees.
Reducing operational costs.	More productivity, faster response to customer needs.
Mobile workforce. Get more done with less.	Employees stay connected to maximize job shift productivity.
Safety and security issues.	Security can swiftly respond to accidents or disturbances.
Customers want a more enjoyable experience.	Eliminate the noise and distraction of paging systems.
Establishment must be clean and well organized.	Call for immediate help with clean-ups, restocking, or tables.

**Rugged and Water Resistant**

Durable metal diecast chassis helps radios hold up under demanding conditions.

**Power and Coverage\***

2 Watt RDX Series radios provide coverage of up to 250,000 square feet, 20 floors – 4/5 Watt models cover up to 350,000 square feet, 30 floors.

**Flexible Battery Life Solutions\*\***

2 Watt radios feature the standard Li-ion battery ( up to 12 hours of life per charge) . 4/5 Watt radios feature the ultra high capacity battery ( up to 18.5 hours per charge) . An alkaline battery kit is available as an optional accessory ( up to 26 hours per charge) .

**Accessories**

Motorola offers a full complement of accessories for customizing radios to suit user needs.

**A Motorola business two-way radio can pay for itself in less than 2 months.**

*If each worker saves 5 minutes per hour, watch your savings multiply...*

<b>Hourly rate including benefits</b>	<b>Each radio pays for itself in...</b>	<b>Annual savings for 10 workers</b>
<b>\$12 per hour</b>	<b>24 days</b>	<b>\$21,000</b>
<b>\$18 per hour</b>	<b>12 days</b>	<b>\$42,000</b>

Based on calculations using MSRP of \$189 for a two-way radio and on the hypothetical hourly wages of an employee or worker.

**For more information, contact us today.**

**MOTOROLA MEANS BUSINESS**

With 75 years of innovation and engineering expertise, it's no wonder that Motorola is a world leader in providing small business on-site, two-way radio communication solutions.

\*Coverage will vary based on terrain, conditions and radio model.  
\*\*Battery save feature must be activated for optimal battery life.
