

# DuoPro®

Versatility is the hallmark of the innovative DuoPro line, with its best-in-class audio performance, all-day wearing comfort, and a choice of a wearing styles.

## DuoPro Key Features

- **Plantronics compatibility.** DuoPro works with all Plantronics audio processors and USB-to-headset adapters. Direct-connect solutions are also available for headset-ready phones and agent consoles.
- **Advanced ergonomic design** provides superior balance, fit and comfort. Choose a wearing style:  
 Over-the-head style—Unique double T-pad head-band distributes weight evenly. There's never a speaker pad pressing on your ear.  
 Over-the-ear style—Earloop can be molded for a secure, comfortable fit.  
 Behind-the-head style—Optional neckband is only available as an accessory, sold separately.
- **Supports Clearline™ audio technology.** Ensures precise listening levels, sophisticated hearing protection, and superior audio performance when used with Plantronics audio processors.
- **Quick Disconnect™** lets you walk away from your phone while still wearing your headset.
- **Available with Voice Tube or noise-canceling microphone:**  
 Voice Tube—Plantronics' trademark design; light weight and unobtrusive, delivers great sound quality in all but the noisiest environments.  
 Noise-canceling—Filters out background sounds for heightened speech clarity.
- **Warranty: Two years** for unsurpassed durability.

**2 YEAR WARRANTY** Backed by Plantronics global service and support

Headset quickly converts from over-the-head to over-the-ear wearing style.
