A Daily Journey Of Faith
by Dann Patrick
You will discover at least one devotion from every book of the Bible. This hardcover is filled with practical Bible teaching and illustrations.

The Cost Of Our Silence
by David Fiorazo
Christians who defend God’s Word are often called hateful, intolerant, or judgmental. We cannot reverse the moral decline, but we can choose to stand for righteousness as we pray for revival and be the salt and light Jesus called us to be while we’re still here.

Will They Stand: Parenting Kids To Face The Giants by Ken Ham
Our children are facing cultural “giants” that previous generations could never have imagined. This 312-page hardcover gives a powerful message about the importance of raising strong believers who can stand in the face of a world that will challenge and seek to eliminate their faith.

Words Of Warning
by Charles Spurgeon
This 162-page paperback sheds light on the many ways people may refuse to come to Christ, but also shines a light on how to be saved. Unsaved individuals will be convicted, and if they allow it, will be led to Christ. Christians will be joyful as they consider the great salvation.

A Word To Fellow Pastors & Other Christian Leaders
by Horatius Bonar
Subtitled: “Things Every Minister of the Gospel Must Consider”. The objective of the Christian ministry is to convert sinners and to edify the body of Christ. Applause, fame, popularity, honor, and wealth – all these are vain. If souls are not won, and if saints are not matured, our ministry itself is futile.

Merry Christmas
from our family to yours.
