

JD – The Modern Draper – Contemporary Menswear Retail Sales Advisor

The Modern Draper is a proud independent retailer stocking the best contemporary fashion and lifestyle brands that have a common factor - 'authenticity'. We have just celebrated our fifth birthday and over the past five years we have grown and developed into a thriving, multi-channel retailer.

We now trade from two sites in Beverley; our original shop which specialises in Contemporary and Heritage brands and our Street, Sport, and Outdoors store. We also have a busy e-commerce business which ships parcels around the world daily.

We stock over 100 brands with stock arriving daily; this needs to be processed and displayed in a timely manner as our customers are often waiting for the latest drops from their favourite brands.

We are based in the centre of Beverley where we have two stores, an office suite and a new warehouse facility. The expectation is that you would be based in one of our boutiques however there is also an expectation that you will work from other sites as required.

Our team comprises of 10 people including a Social Media & Marketing Manager and a Photography Manager so you will be joining a passionate, fun and hardworking team who all absolutely love what we do.
