YES TO THE DRESS

Pure happiness exudes from this fanciful, divine, dusty pink creation in this Rembrandt Dress by Greta Constantine. Floral adornments cascade down the side of the A-line gown, while a silk-wool tie at the neckline can be tied in delightfully numerous ways. Exclusively at The SIL, founded by Texas native Natalie Bond Bloomingdale. Made to order. \$1,895.

A woman with dark hair pulled back, smiling warmly at the camera. She is wearing a light pink, long-sleeved, high-necked dress adorned with numerous large, three-dimensional fabric flowers in shades of pink and red. The dress has a subtle sheen and a fitted silhouette. She is standing outdoors in front of a white, textured wall. To her right, a large, vibrant bouquet of pink bougainvillea flowers is visible. The overall mood is bright and festive.
