COOL COLLABS

California is buzzing with creative cross-pollination this fall, and top designers are taking part. We picked four locally available collections that illustrate the power of mixing it up. —SUZANNE ENNIS

THE SIL X THE BEVERLY HILLS HOTEL

The SIL—PR pro Natalie Bloomingdale's ultrachic e-commerce destination—launches its first capsule collection for the Beverly Hills Hotel this month, featuring Pink Palace-inspired clothing and accessories. Among the Bloomingdale-beloved brands represented are Dovima Paris, Tish Cox and Hayden Lasher, who designed a pink pressed-Italian-leather Elle bag (above). RSVP at hi@shopthesil.com to snap up the collection Nov. 14-15 in one of the hotel's newly redesigned bungalows; afterward, visit shopthesil.com or the hotel gift shop.
