## Scented Air Neutraliser

Our dual action Scented Air Neutraliser does more than just mask smells. It has been specially formulated to rapidly eliminate offensive malodours at source and replace them with a pleasant fragrance.

### Benefits

- ✓ **Free from:** Petroleum solvent, Enzymes, Chlorine Bleaches, Formaldehyde, Triclosan, VOCs (10%), APes.
- ✓ Floral perfume
- ✓ Domestic and commercial use
- ✓ Safe in air conditioning systems
- ✓ Safe on soft furnishings
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Readily biodegradable
- ✓ Not tested on animals

### Application and Directions

Spray a small amount directly away from the body into the air. Repeat on a regular basis to maintain your optimum perfume level. Always test in a small area first.

**Proper dosage saves cost and minimises environmental impact:** Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles.

### Areas of Usage

Any internal spaces:  
• Toilets • Washrooms • Offices • Bedrooms

### Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
