## Chewing Gum Remover

Our low odour, non-tainting Chewing Gum Remover is a powerful cleaner of inks, oils, glues and resin based adhesives including chewing gum, Blu-tack, Biro, Tipp-Ex, sticky label residue and pasticine from none porous surfaces. Safe on all hard surfaces including most paintwork, metal surfaces, glass and rubber.

### Benefits

- ✓ **Free from:** Petroleum solvents, EDTA, NTA, fragrance, dye, APEs
- ✓ Non Caustic
- ✓ Water rinsable
- ✓ Low odour
- ✓ Safe to use indoors and outdoors
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Safe in septic tanks if used as directed
- ✓ Readily biodegradable
- ✓ Not tested on animals

### Application and Directions

Do not dilute. Apply to affected area and leave to penetrate, repeat if necessary. Agitate gum with scraper or nylon pad. Rinse away any residues. Always test on a small area first.

**Proper dosage saves cost and minimises environmental impact:**  
Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles.

### Areas of Usage

Hard surfaces including most paintwork, metal, glass and rubber

### Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
