

our info sheet for...

Hard Water Dishwasher Liquid

Our detergent is a powerful cleaner and limescale inhibitor suitable in medium to hard water conditions. Its highly concentrated formula is suitable for all dishwashing machines to clean grease, dried on food and stains from dishes, cutlery, glass, cooking utensils, pots, pans and food preparation equipment. It can also be used as a CIP cleaner (clean-in-place) for food processing plants.

Benefits

- ✓ **Free from:** Chlorine Bleaches, Formaldehyde, VOCs, APEs.
- ✓ Effective at high dilution
- ✓ Effective throughout all temperatures
- ✓ Ideal for domestic and industrial use
- ✓ Inhibits limescale formation
- ✓ Does not form white deposits
- ✓ Low foaming
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Safe in septic tanks if used as directed
- ✓ Readily biodegradable
- ✓ Not tested on animals

Application and Directions

Pour into the machines automatic dosage system and use in accordance with the manufacturer's instructions. Dose according to the degree of soil and water hardness. Adjust to maximise performance:

Soft water:	0.10 - 0.25%
Medium water:	0.25 - 0.50%
Hard water:	0.50 - 1.00%

More effective cleaning can be achieved at higher temperatures. Results can be enhanced by using Delphis Eco Rinse Aid.

NB. Not suitable for dishwashers: lead crystal, decorated glassware, antique painted porcelain, bone, coloured or anodised aluminium, items with gold or other precious metal decoration.

Proper dosage saves cost and minimises environmental impact: Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles.

Areas of Usage

- All dishwashers
- CIP cleaners

Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.

Technical Data

Figures are typical values and should not be used as specifications

Appearance:	Liquid
Colour:	Colourless
Odour:	Odourless
Solubility in water:	Highly soluble
Boiling point/range°C:	100
Relative density:	1.325
pH:	14.0

Supplier Information

Product Name:	Hard Water Dishwasher Liquid
Product Code:	DWDHW050 (5ltr conc.) DWDHW100 (10ltr conc.)

Supplier: Delphis Eco, Sustainable Workspaces
25 Lavington Street, London SE1 0NZ
