

INFO SHEET

Laundry Destainer Liquid

DELPHIS
eco
PROFESSIONAL CLEANING

Our highly effective low-temperature Laundry Destainer Liquid uses oxygen technology to deeply penetrate and break down stains, allowing the detergent to work more effectively. It is suitable for all textiles (excluding silks & intensely coloured items).

Benefits

- ✓ Optimal performance at 40°C
- ✓ Uses oxygen technology to penetrate & remove stains
- ✓ Free from chlorine bleaches, phosphates, APEs, VOCs (fumes)
- ✓ Readily biodegradable
- ✓ Never tested on animals
- ✓ Septic tank-safe
- ✓ Made in the UK
- ✓ 1st EU Ecolabel (DEFRA) accredited ecological cleaning manufacturer in the UK

Application and Directions

Light soiling: 4ml per kg dry textile

Heavy soiling: 10ml per kg dry textile

Use with auto-dosing equipment in main wash alongside Delphis Eco Bio or Non-Bio Laundry Detergent.

Warning: not suitable for silks or intensely coloured items.

Low-temperature washing reduces carbon emissions, prevents textile fibre release into waterways, saves money & prolongs textile life

Areas of Usage

Suitable for all types of washing machines.
