

OUR INFO SHEET FOR

Heavy Duty Toilet Cleaner & Limescale Remover

Our **Heavy Duty Toilet Cleaner & Limescale Remover** is a dynamic descaler to remove heavy limescale where germs and bacteria breed, rust and stains from toilets, taps, sinks and showers. It's safe to use on all washroom surfaces including chrome, porcelain enamel and stainless steel. It doesn't contain any harmful acids.

- ✓ **Free from all harmful acids:** Chlorine bleaches, Formaldehyde, Hydrochloric Acid and low VOC's.
- ✓ Kills germs where bacteria breed
- ✓ Viscous clinging formula
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Safe in septic tanks if used as directed
- ✓ Readily biodegradable
- ✓ Not tested on animals

Application and Directions

Toilets and urinals: Apply to affected area. Leave for 10 minutes, brush and flush away.

Washroom surfaces: Dilute 1:10 parts water. Apply with a damp cloth to affected area. Leave for 10 minutes, wipe and rinse with clean water. For larger surface areas, such as floors, use a mop and bucket. Use intermittently. Do not use on sensitive metals. Test on a small area first.

Proper dosage saves cost and minimises environmental impact: Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles.

Areas of Usage

- Washrooms
- Baby changing areas
- Toilets
- Public conveniences

Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
