	DELPHI	S	HOW TO DISPOSE
	PROFESSIONALCLEAN		Dirty, used washing solution should be disposed of via drains that lead only to foul sewers. Do not allow detergent solutions to contaminate surface
	Heavy Du Toilet Clea & Limesca	ner	water drains. In the event that concentrated product should need to be disposed of, run small amounts to foul waste, diluting with plenty of
	Remove		water. For larger quantities, seek advice on disposal from the local authorities. Delphis Eco
			products are packed in fully recyclable containers. Empty containers should be rinsed thoroughly,

the washings being run to foul waste. The containers may then be sent for recycling. Dispose of all waste in a responsible manner. Be

aware of the environment.
