

our info sheet for...

Multi-Surface Polish

Our Multi-Surface Polish cleans, polishes, preserves, and protects all hard surfaces. It contains anti-static agents to pick up dust and cleansers to clean without smearing. Leaves a lasting pleasant aroma.

Benefits

- ✓ **Free from:** Ammonia, Petroleum solvent, Sodium Hydroxide, Formaldehyde, Sodium Tallowate, Triclosan, VOCs, Alkylphenol Ethoxylates (APEs)
- ✓ Domestic and industrial use
- ✓ Safe on all hard surfaces
- ✓ Reduced use of hazardous substances
- ✓ Phosphate and phosphonate free
- ✓ Safe in septic tanks if used as directed
- ✓ Readily biodegradable
- ✓ Not tested on animals

Application and Directions

Shake well before use. Spray sparingly directly onto surface. Wipe off immediately with a soft dry cloth and buff to a lustrous clean and shiny finish. For hard to reach areas, spray directly onto a cloth and dust as normal.

Proper dosage saves cost and minimises environmental impact: Delphis Eco encourage proper dosage and users to reduce waste going to land fill by recycling empty bottles.

Areas of Usage

- Wood
- Veneer
- Laminate
- Stainless steel
- Chrome
- Glass
- Paintwork
- Plastic
- Formica
