

our info sheet for...

Waterless Hand Rub

Our Waterless Hand Rub is designed to be used in places where water is not readily available. It quickly removes dirt and leaves your skin feeling clean and soft.

Benefits

- ✓ pH balanced – 6.5
- ✓ Contains moisturisers and hydrates skin
- ✓ Alcohol and fragrance free
- ✓ Does not leave hands oily or greasy
- ✓ Safe in septic tanks
- ✓ Reduced use of hazardous substances
- ✓ Readily biodegradable
- ✓ Phosphate and phosphonate free
- ✓ Not tested on animals

Application and Directions

Apply a small amount onto hands. Massage into the palm then over front and back of both hands taking care to work well into webs and cuticle areas. For light soiling the hands can be massaged until dry. Solution does not require rinsing. Leave hands to air dry once application is complete.

Proper dosage saves cost and minimises environmental impact: Delphis Eco encourage users to reduce waste going to land fill by recycling empty bottles.

Areas of Usage

- Hands

Safe Handling and Storage

Full guidance on the handling and safe storage of the product can be obtained from the safety data sheet including first aid measures and health and safety requirements.
