### 3D Shape Craft for Kids

# Fruit of the Spirit Craft Instructions

Cut the shapes out along the solid outer edge. Fold each shape in half along the center line, with the images on the outside (see picture 2). Fold the edges of each shape back along the dotted lines (see picture 3).

Starting with the “love” shape, tape the folded edge to the “joy” shape. Then, tape the folded edge of “joy” to “peace”.

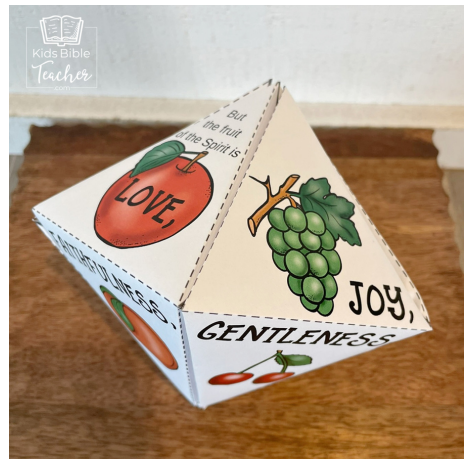

Tape “peace” to “patience”, “forbearance”, or “longsuffering.” Then tape “kindness” (or “gentleness” for KJV) into place. When that is done and all your shapes are taped to each other, carefully bring “kindness” (“gentleness” for KJV) around and tape the top of kindness to love.

Now you will begin taping the bottom of the shape. Tape “goodness” to “faithfulness” (“faith” for KJV) and continue working around the bottom of the shape. Once you get around the shape, the last section to tape will be the reference. Tape the two exposed edges, then push the reference piece into place.

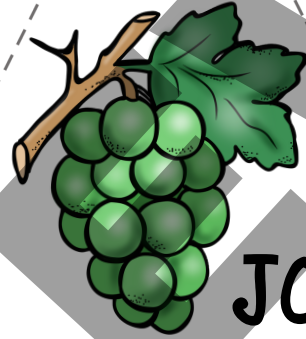

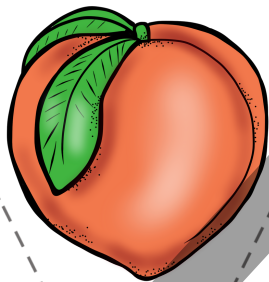

You are done!

But  
the fruit  
of the Spirit is

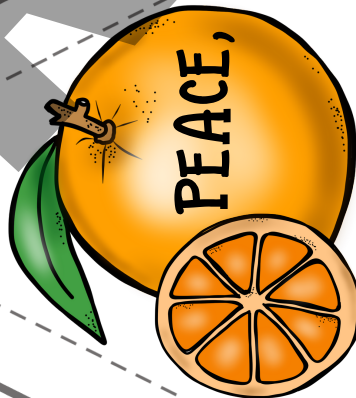

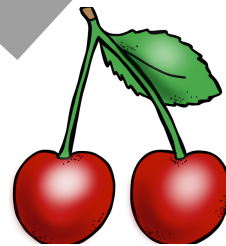

**FAITHFULNESS,**

**JOY,**

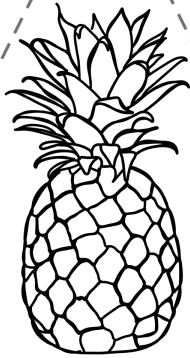

**GENTLENESS**

**SELF-CONTROL;**

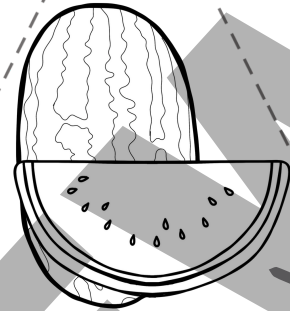

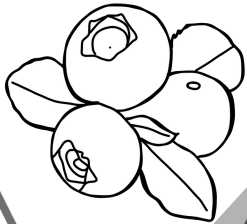

## PATIENCE,

The law is not against  
such things.  
**GALATIANS 5:22-23**

## KINDNESS, GOODNESS,
