How to play the Finger Puzzles:

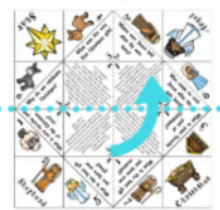

1. Have your child insert their thumb and index finger from each hand into the flaps in the back.
2. Open and close the finger puzzle in different directions as you spell one of the words from the outer layer. When you finish, some pictures will be visible and some will be hidden.
3. Pick a picture from the visible pictures. Open and close the finger puzzle the number of times indicated on the picture you chose. Once again, when you are finished, some pictures will be visible and some will be hidden.
4. Choose one more picture from the visible pictures. Open that flap by unfolding it and choose a number from one to four.
5. Read the verse or question from the chosen number.

Please note: This puzzle is random. On the inside, after choosing a number from one to four, you will ask a question OR read a Bible verse.

1. Cut out the square along the outer lines. Do not cut any interior lines.

These delighted my kiddo & my niece!! Next year I will print off enough for my kiddo to give out to her entire class. Thank you so very much!! I will also be using these in our upper elementary kids program at church. The different versions was a lifesaver – thank you for the added bit of work. It's greatly appreciated!
