Teach your kids the
story of Jesus' death
and resurrection with
the Jesus' Resurrection
Bible Story Cube!

You Will Get:

A Jesus' Resurrection Bible story cube template with pictures on all six sides

The ability to print the template in full color or black and white outline so your kids can color their own

Printable instructions with pictures so you know exactly how to fold AND assemble the Bible story cube

Jesus' Resurrection Bible Story Cubes from Kids-Bible-Teacher.com

Materials Needed:

- Resurrection Cube printable pages, one copy per student, in either full color or black and white outline (so kids can color their own)
- Crayons/Colored Pencils/Markers if desired
- Scissors
- Tape (You can use double sided tape if you want to "hide" the tape by taping the tabs to the inside of the box. However, I think that regular tape on the outside of the box works just fine and is way easier for little hands. Glue takes too long to dry for this craft.)

Directions:

1. Cut the box template out along the thick black outer lines. Color if desired.
2. Turn the template upside down so the images are facing the table. Fold the template up on the dotted lines, so that all of the tabs and the squares are folded

the edges (with the tabs on the inside) as they be easiest to do this with two people, per person tapes.
