THE ASTONISHING STORY OF SALVATION

WEEK 1: THE STORY OF CREATION

Day 1: In the Beginning...

Read **Genesis 1:1-13**. What did God create on Day 1? Day 2? Day 3? Read verse 2 again. Close your eyes and imagine that you are in verse 2. What was the world like before creation? What was the world like by the end of the third day? Read **Revelation 4:11**. What is one reason God deserves our worship according to this verse?

PRAY THE WORD: Revelation 4:11

Day 2: God created the world.

Read **Genesis 1:14-25**. What did God create on Day 4? What is the "greater light"? The "lesser light"? What did God create on Day 5? Day 6? What is your favorite creature (flying or swimming) that God created on the fifth day? How about on the sixth day? Read **Psalm 19:1-4a**. What can we learn about God from the sun, the moon, the stars, and the sky?

PRAY THE WORD:

Psalm 19:1-4

WEEK 1: THE STORY OF CREATION

Day 5: Creation Finished

Read **Genesis 2:15-25**. What did God give to Adam in verse 16? What commandment did God give Adam in verse 17? What was the one thing that God said was *not* good about His creation (vs. 18)? What do you think it must have been like for Adam to see all of God's created animals and give them names? What animals do you think might have made Adam laugh or step back in amazement? What did God do so that Adam would not be alone? **Read Psalm 139:14-18 and Psalm 139:23-24**. Have you ever worshiped God for the amazing way He created you, giving you a unique body, personality, and talents? God has a perfect plan and purpose for you, exactly as He created you!

PRAY THE WORD: Psalm 139:14-18 and 23-24.

WEEK 1: THE STORY OF CREATION

Day 3: The Creation of Adam and Eve

Read **Genesis 1:26-31**. God created Adam and Eve on the sixth day. In whose image or likeness did God create Adam and Eve? What work did God give Adam and Eve to do in His created world? How did God describe His creation on the sixth day? (vs. 31) **Read Psalm 8:3-9**. Have you ever looked up into a clear night sky and been amazed at the stars and moon and planets that God created? As the writer of this Psalm considered the heavens, what surprised him about God? (vs. 4) Do you have a big view of God, or a big view of yourself?

PRAY THE WORD: Psalm 8:3-9

Day 4: God gives us work to do.

Read **Genesis 2:1-15**. What did God make man out of? What did God breathe into man? How does this make man different from the animals God created? What two special trees did God put in the Garden of Eden? What job did God give Adam to do in verse 15? God gave Adam work to do, and He has given us work to do, as well. Read **Colossians 3:23-24**. What work do you do? Do you do it well to please God?

PRAY THE WORD:

Colossians 3:23-24
