4. Choose one more picture from the visible pictures. Open that flap by unfolding it and choose a number from one to four.
5. Read the verse or question from the chosen number.

Please note: This puzzle is random. On the inside, after choosing a number from one to four, you will ask a question OR read a Bible verse. HOWEVER, the nearest verse will help to

I teach RI(Religious Instruction) in 2 local schools in my area(in Australia) each week and the kids love these finger puzzles called chatter boxes here.They are fun as an alternative to their lesson from their books at the end of school term. It is so great to have a good message from the Bible on them and not just a colour or number puzzle.
