These sermon notes are visually appealing and worked wonderfully at keeping my children engaged in the sermon. They really enjoyed completing them. As a mother, I like how they are not just for taking notes but have questions and activities to encourage deeper thinking and application of the text to their lives.

"[My church is] promoting FAMILY Worship Services. I was hoping to [find] a "Sermon Notes" page, especially for older children, to use as an incentive for them to pay attention to the sermon. When I stumbled upon your sheets I was thrilled! I would have created one, 1-sided, boring sheet. You have TEN, 2-sided sheets which I can rotate!

-Mrs. Gayle
