

**SHELF LIFE**

# Lab Masters

The newest standout serums run the gamut from correcting to contouring. —A.D.

**ESTÉE LAUDER**

**New Dimension Shape + Fill Expert Serum, \$89**

*Designed to help contour the face, this serum plumps skin with hyaluronic acid and firms with a pro-collagen complex.*

**LUMENE**

**Time Freeze Instant Lift V-Shaping Serum, \$30**

*Hailing from South Korea, the formula features peptides and soy protein said to help tighten and firm skin.*

**CLARINS**

**Mission Perfection Serum, \$72**

*Acerola extract from wild cherries corrects dark spots without altering skin tone; ginkgo biloba adds radiance.*

**KATE SOMERVILLE**

**Age Arrest Anti-Wrinkle Serum, \$95**

*Sea mayweed and kelp extracts reduce the appearance of lines and wrinkles; peptides help boost collagen production.*

**BY TERRY**

**Cellularose Hydradiance Serum, \$116**

*Rose, watermelon rind and apple-skin extract hydrate skin; hibiscus flower acid gently exfoliates.*

**DARPHIN**

**Exquisâge Beauty Revealing Serum, \$95**

*Extracts of plankton and artichoke leaf are said to improve skin's elasticity.*

**ALCHIMIE FOREVER**

**Pigment Lightening Serum, \$95**

*Blueberry and vitamins E and C help even pigmentation and lighten brown spots.*
