Protect the Neck... and Décolleté

Targeted skin care treatments shouldn't stop at the chin, so it's important to remind clients that they ought to be treating their neck and décolleté as an extension of their face. We've chosen four standout options that we're sure your clients will love.

Alchimie Forever

Firming Gel for Neck and Bust

This oil-free upper body gel tones and firms the appearance of the neck, bust and arms. Natural antioxidants derived from green tea and rosemary rejuvenate the décolleté and reduce the look of fine lines and crepey skin. alchimie-forever.com
